

# For Male Firefighters

## HOW THE PPE WORKS ON PAPER:

Print out this page on card (150 gsm) and cut out the images, including the white tabs. Once the tabs have been folded over, the equipment can be put on.

**Technical Rescue:** 1,2,5,4,3

**Structural Fire Fighting:** 1,6,5,4,3,8

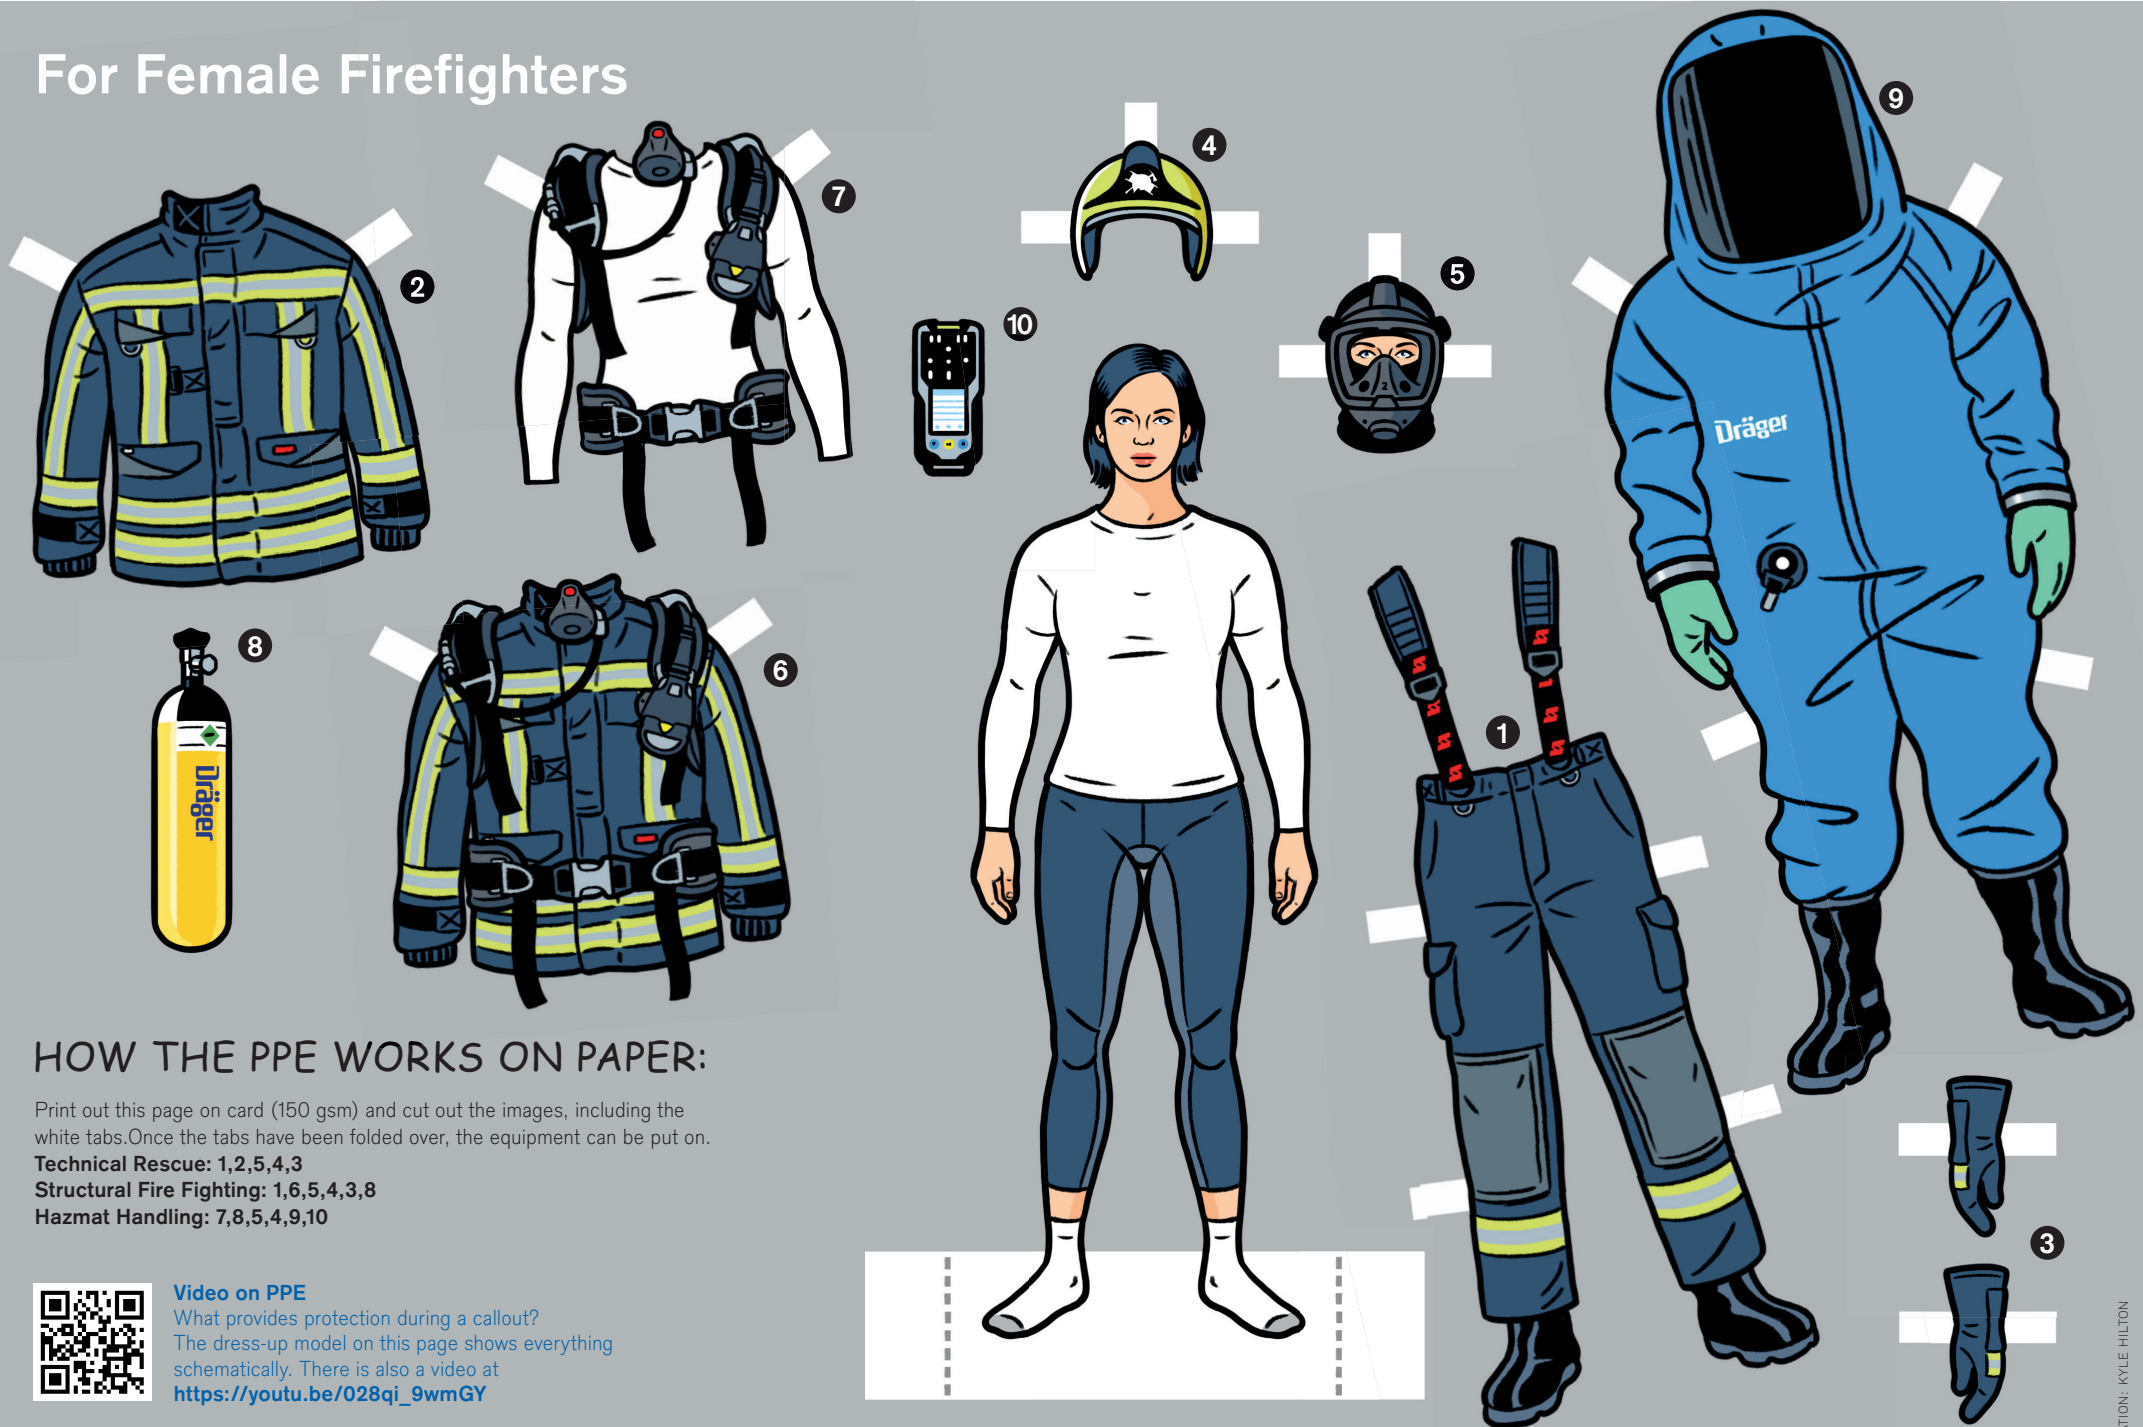

**Hazmat Handling:** 7,8,5,4,9,10

### Video on PPE

What provides protection during a callout?  
The dress-up model on this page shows everything schematically. There is also a video at
